

NUTRITION AND OBESITY RELATED SEMINARS 07/31/17 – 08/06/17

Upcoming

Clinical and Community

WEBINAR: Creating a Discussion Guide for Qualitative Research (1 hour) sponsored by the Enrichment Program of the Boston Nutrition Obesity Research Center

Monday, August 7, 2017 from 12:00-1:00PM

WEBINAR: Creating a Discussion Guide for Qualitative Research

This webinar will give you the tools you need to create an effective discussion guide for focus groups and key informant interviews. You will gain an understanding of how to start from a general research question and develop it into a practical and organized questioning route so that you'll get the answers you need. We'll cover all phases of development from brainstorming, to phrasing and sequencing questions, to pilot testing. You will learn best practices so that your groups and interviews will be maximally informative. This will be an interactive webinar with multiple opportunities to ask questions of the presenter.

Registration is required at <http://www.bumc.bu.edu/bnorc/seminars-events/webinar-creating-a-discussion-guide-for-qualitative-research/>

Save The Date

Epidemiology and Genetics

Obesity Working Group Meeting, co-sponsored by the Epidemiology and Genetics Core of the Boston Nutrition Obesity Research Center

Monday, September 18, 2017 from 3:00-5:00PM

“TBN”

Location: Building 1 Room 1208, Harvard T.H. Chan School of Public Health

The Department of Nutrition's 75th Anniversary Symposium, Nutrition Department at the Harvard T.H. Chan School of Public Health

Wednesday, November 1, 2017 from 1:00-3:30PM

The Department of Nutrition shares 75 years of achievements and looks to the future. Current faculty will present the Department's history and their work. Alumni will recount their experiences in the Department and current work. Student posters will be on display to highlight recent projects.

Location: The Rotunda Room at the Joseph B. Martin Conference Center

13th Annual Stare-Hegsted Lecture, Nutrition Department at the Harvard T.H. Chan School of Public Health

Wednesday, November 1, 2017 from 4:30-6:00PM

“TBA” **Dr. Lawrence J Appel**, Professor of Medicine, Professor of Epidemiology and International Health and Director of the Welch Center for Prevention, Epidemiology & Clinical Research, Johns Hopkins University

Location: The Rotunda Room at the Joseph B. Martin Conference Center

Positions Available

Center for the Study of Nutrition and Medicine Department of Surgery, Beth Israel Deaconess Medical Center Clinical Nutritional Research Scientist position

The Center for the Study of Nutrition and Medicine in the Department of Surgery at Beth Israel Deaconess Medical Center is seeking applicants for a Clinical Nutritional Research Scientist position. Candidates must have a doctorate level degree in nutrition. Registered dietitian nutritionists are preferred. A track record of clinical trial experience, including writing protocols, submitting forms to the Institutional Review Board (IRB), patient accrual, data collection, supervising research assistants, data analysis, and manuscript preparation is essential. The ideal candidate should have a record of high quality, peer-reviewed publications as well as the ability to lead and work with multidisciplinary teams. The successful candidate will join an existing Center team of business manager and assistant for the program, surgeons, PhDs scientists, and research assistants. The successful candidate for this position may be considered for Harvard Medical School appointment as Instructor, commensurate with experience, achievements, and teaching contributions.
